Ventura Vintage Rods is a family-oriented club committed to friendship, raising money for local charities, promoting street rods and representing our hobby in a positive and safe manner. Our club is open to pre-1973 American made Rods, Customs, Panels and Pick-Ups. We conduct informal monthly meetings which are just plain fun and are normally held on weekends in conjunction with a social event, cruise, poker run or visit to a special facility, business or cultural location such as a museum. Our members attend car shows, many of which are out of the area either for a single day or a weekend. All club policies, procedures and methods are governed by well-defined by-laws.

We plan, organize and sponsor our Harbor Run Car Show at Channel Islands Harbor each September. Harbor Run is the source of the thousands of dollars we give to local charities each year. The success of this car show requires participation of all members.

For further information about the club, please speak with any member or visit our website at www.venturavintagerods.org. We request you briefly answer the following questions.

1. How did you hear about us?

2. Why are you interested in joining our club?

3. Is the above brief outline of club philosophy and activities agreeable to you?

4. What other expectations would you have of the club or its members, if any?

5. Are you willing to be an active participant in support of club events and activities?
