February '06 Information Update

Hi All - - -

We thank the Roarks for planning and coordinating our activities for February. We also wish them Bon Voyage as they depart on a venture of several months to bring their boat home from the east coast. Likewise, we wish Bon Voyage to the Gartmans who depart soon for a long-anticipated trip to China.

Revision 1 to our 2006 Monthly Meeting Dates and Coordinators schedule was distributed at February's meeting. A copy is enclosed for those who were unable to attend. Please review it carefully and note that April's monthly meeting was changed to Sunday, April 30 and October's was changed to Saturday, October 21. In addition, there is expanded information on how to utilize the services of our calling committee and on how to contact our members who do not use e-mail.

IMPORTANT NOTE: Be sure you have our VVR membership roster handy because the information it contains will be necessary for communicating and coordinating activities and events. Also, try to visit our website often as it is our central source of overall information about club matters, activities and events.

Addendum I to the VVR by-laws was also distributed at February's meeting. Those not attending will be receiving a copy by regular mail. Essentially, the procedures for becoming a club member were changed somewhat and membership was expanded to include pre-1973 street rods, customs, panels and trucks.

VVR has placed an ad in the Ventura Star to run each Saturday in the Car Club News section of the Wheels. This is free of charge.

Alaska Cruise: The Leightys have access to a cruise in late July and early August to Alaska at discounted rates. Please see their e-mail or call them directly for details. Time is of the essence on this one!

Harbor Run 16: Our mid-month planning meetings will begin in April. Sharon has agreed to arrange and coordinate these meetings. **NOTE: We will have the drawing to decide which cars go on the car show T-shirts at April's monthly meeting on Sunday, April 30. Eligible members are those not having a car on a Harbor Run T-Shirt for the past four (4) years and who must be in attendance to participate in the drawing. Please consider that it has been suggested that we forego the drawing this year in lieu of honoring Roy Moore by placing one or both of his street rods on the Harbor Run 16 T-Shirts. Membership will be discussing this.**

March Activities: The Perskes are handling everything which we appreciate very much.

Take good care.
