March 17th is our next meeting (St. Patrick's Day)

VVR has been approached by the Murphy Museum to perform some clean up and repairs to their facility. In return, VVR could use the Murphy Museum as a club house/meeting place. The Nickersons will be hosting the March Meeting and thought it might be a good idea to meet at the Murphy Museum and take a look around and see if VVR wants to tackle such a project. More details will be forth coming as they evolve.
