## July '05 Information Update

Hi All - -

At the last monthly meeting, we agreed to replace our formal newsletter with an electronic (e-mail) approach which would greatly simplify all aspects of our monthly communication of VVR activities and other events. So, here's the first edition of simplicity featuring no frills and facts only.

- \* We had a fun time on the poker run, the tour of Dobson Nursery and the BBQ afterward. Jim Fain won the money pot.
- \* Anyone else wanting club jackets can contact Phil Sanchez directly for instructions on being fitted for size.
- \* Sherry will have some club window decal samples for review at our next meeting.
- \* The Leightys are printing personalized VVR business cards for all members.
- \* Harbor Run 15 car show preparation is on schedule.

Mid-month car show planning meeting is Tuesday, July 12, 6:30 PM at Pirates.

Next monthly meeting is Saturday, July 30. This is a cruise to the San Sylmar Museum (Nethercutt) in Sylmar for a guided tour of this very upscale collection of all types of things. The Osbornes will be providing coordinating information on this event and the meeting enroute. (Da Prez & Mrs. Prez will be on vacation)
