

Ventura Vintage Rods July '06 Information Update

Hi All - - -

Many thanks to the Bidwells for making the arrangements and reservations for our July monthly meeting. The California Oil Museum is an interesting place to visit, especially when a special tour of the upstairs original offices of the Union Oil Company is included. After doing all the work, the Bidwells were unable to attend because of Willie's surgery. Willie is now home, by the way, and doing real well.

Thanks to our Secretary, Sherry Roark, for taking on the difficult task of updating our VVR membership roster. It's completed in technicolor no less and she will have copies at upcoming meetings. Be sure to get a copy. Any further corrections can be made by hand as we only update the roster once a year because it is such a difficult chore.

It's time to order "Member" Harbor Run T-shirts. Connie Fain is making sure each member has an order form. **Pay close attention as she must have your completed order form returned to her by August 21 or your order cannot be accepted.**

It's now crunch time for the countdown to Harbor Run 16. We need everyone's participation from now until showtime on September 10. Please read the following comments and do your best to help out.

- 1. We need an abundance of raffle prizes. We are asking that each female member bring a prize(s) for ladies having a total value of \$25.00 or more. We are asking each male member to bring a prize(s) related to car stuff having a total value of \$25.00 or more. Any raffle prizes you have won which are unopened are welcome. Anything suitable you see on sale somewhere, please buy it and bring it. If you know retailers who may contribute a gift for our raffle table, go for it. We need everyone's involvement with rounding up raffle prizes.**
- 2. We need help with finding donors and sponsors. If you know of a business you can solicit for this purpose, please do so. Bob Osborne has the form needed to sign people up for being a donor or a sponsor. Please call him if you need a form. This is a primary source of our proceeds which go to charity.**
- 3. We have only one more mid-month meeting before showtime and we are asking all members to attend. It's Tuesday, August 8, 6:00pm at Pirates.**
- 4. We are rescheduling our visit to the Reagan Library and instead will have our August monthly meeting along with a BBQ at the Cowans. The date remains the same which is Sunday, August 27. We are asking all members to attend as this will be our last coordination opportunity prior to showtime. Details to follow.**

All for now. Take good care.

Da Prez
