

VENTURA VINTAGE RODS

August '06 Information Update

Hi All - - -

It was really nice to see everyone at our meeting & BBQ last Sunday. With just a couple exceptions, we managed to assemble the entire VVR membership. Despite our best intentions, we were not able to get around to taking a new group picture for our website. We'll plan another try some time soon.

Looks like we are all set for Harbor Run 16! Here's the remaining matters:

- 1. Raffle Prizes: We all know that we need a lot. This is a big deal for the success of the show. Please be generous in helping out with prize items for the raffle table.**
- 2. Next week we will have a T-shirt folding party. Be ready for the details on time and place.**
- 3. We meet at the Harbor at 1:00pm, Saturday, September 9, to do the final set-up of the show grounds. We can use all the help we can get.**
- 4. We arrive at the Harbor no later than 6:00am, Sunday, September 10.**

Our next monthly meeting is Saturday, September 16, at the Fains. This is a post-Harbor Run 16 celebration in addition to a special celebration in recognition of Mexican Independence Day. Details to follow.

Our October monthly meeting is Saturday, October 21. We are cruising to Sylmar for a tour of the Nethercutt Museum arranged by the Tuckers. Details to follow.

September birthdays deserve mention because we have so many. We have Chaz Roark on the 5th, Jim Perske on the 15th, Jerry Leighty on the 16th and Dennis Nickerson on the 19th. Happy birthday to all!! But on September 18th, we have a special day as it is the 89th birthday of our premier VVR member, Elmore Nelson! Happy birthday Elmore from all your VVR friends.

And now it's showtime!! See you bright and early on September 10th at the Harbor. Thanks to all for the time and energy it has taken to get us ready for Harbor Run 16.

All for now. Take good care.

Da Prez
