September '06 Information Update

Hi All - - -

With Harbor Run 16 now history, we can "down shift" a little for the rest of the year and get in the mode to enjoy what good weather we have left and have some fun with our cars. How about starting this weekend? There is a car show this Sunday, October 1, in Westlake Village. Da Prez plans to go. Anyone interested can give me a call.

Check out our VVR website for a listing of other shows coming up. Anyone having an interest in any of them can please feel free to contact members and set something up.

October Monthly Meeting

Thanks to arrangements made by the Tuckers, we are going to be cruising to San Sylmar for a guided tour of the San Sylmar Museum on Saturday, October 21. This is an upscale museum and a real treat to visit. We depart Wells Road at 8:30 am. We must be in San Sylmar by 9:45 am., so we will not be stopping enroute. The tour is free and lasts about 2 hours. Cameras are permitted, but flash and video are not allowed. There is a dress code as well, which is no jeans and no shorts. Sorry!! Just in case anyone was planning on bringing young guests, minimum age for the tour is 12 years. We will need a headcount, so expect a call from our calling committee about one week in advance of the trip. This is a nice and easy cruise. It would be fun to have a big turnout with a lot of cars!

After the tour, we are going to a nearby El Presidente for lunch compliments of VVR. We've earned it!!! We will also have a short meeting for the very important purpose of deciding which Ventura County charities will receive our 2006 contributions. We have a considerable amount to contribute, so come prepared to briefly tell everyone about your charity of choice and what it does to support our local community.

November Monthly Meeting

Please reserve Sunday, November 19, as this is the meeting for election of club officers for 2007. The Cowans are making arrangements. Details to follow.

Other Stuff

1. There is no monthly meeting planned for December.
2. Our annual buffet, awards and installation of new officers will be in January, 2007. .
3. Car show dates to set aside as we plan to have a good club turnout with preferred parking:
Sunday, October 29, Moorpark - - Roam n' Relics
Sunday, December 10, Fillmore - - Tree Chop - - Trucks Limited
4. Anyone getting the urge to go cruising, just let everybody know what you have in mind and when and we'll be off!!

All for now. Take good care.
