

## Ventura Vintage Rods October '05 Information Update

Hi All - -

With Harbor Run 15 now a part of VVR history, we can take a breather for a while. The show drew about 240 cars, an estimated 9,000 spectators and many compliments. We have a hefty treasury to show for our efforts. Thanks to everyone, again, for all the hard work and support.

We came up short one black cover for an 8' pop-up canopy. If anyone stowed it somewhere during clean-up after the car show, please call Bob Osborne or Ron.

Anyone still owing for their member T-shirts, please pay Jim Perske at our next meeting.

We have a few T-shirts left and will sell them to VVR members for just \$5.00 each. Connie has them, so call her if interested.

The Roarks have very nice window decals of our VVR logo. Let them know if you need some.

### October Meetings & Events:

Fri, Sat, Sun

October 7, 8 & 9: Kernville car show & BBQ at the Wood's home in Bakersfield.

Saturday, October 15: Monthly meeting for the main purpose of deciding which charities will receive 2005 VVR donations. This is a tri-tip BBQ at the Nickerson's shop & warehouse, 1445 Donlon, #15, in Ventura. From 101N, take the Telephone Rd. exit and go left on Telephone. Go to Market and turn right. Pass Donlon and turn right into the parking lot which is the 1st right past Donlon. #15 is on the backside of the first building on the right. Follow either the signs you will see or the smell of the BBQ and you will find the right spot. We start at 12:00 noon. Bring your chairs. VVR is picking up the tab for this and we thank the Nickersons for allowing us to use their building.

**Additions to October '05 Information Update:**

The Nickersons successfully defended their Kinetic Vehicle grand championship by winning the competition held at Ventura Harbor on September 17. This year's entry, the Star Fish, won the contest for an unprecedented fifth straight year. The Woods were the pit crew. Congratulations to all of you.

The Star Fish could possibly be on display at the Nickerson's shop & Warehouse where we are having our meeting & BBQ on October 15. Speaking of which, our calling committee will be in touch with all of you on what food items to bring to this meeting.
