November '05 Information Update

Hi All - - -

The last few weeks have been quite interesting for VVR members to say the least. First, there was the weekend trip to Bakersfield and Kernville where we had a great time hanging out at the car show, at the Crystal Palace with Buck Owens and then at the Wood's home for a birthday celebration and BBQ. Many thanks to the Woods for their generous hospitality. Thanks to the Nickerson's for their generosity in footing the bill for dinner at the Crystal Palace.

The club's monthly meeting and BBQ was held at the Nickerson's shop and warehouse. We decided which charities would be receiving our donations for 2005. These charities are a matter of club record on file. Thanks again to the Nickersons and the Woods for doing all the work and making such a nice time possible. Our (their) BBQ on wheels is a treat to see in and of itself.

Several VVR members attended the Roam 'n Relics car show in Moorpark which turned out to be a decent day after a wet start caused by a very low flying cloud.

We had the tragic death of one of our own, Roy Moore, who was killed in a crash of his drag racer in Bakersfield. In tribute to Roy and Billie Ann, many of our hotrods went with us to his memorial service on November 5.

This will be our monthly meeting where we will be tending to the club business of electing club officers for next year. We are postponing our scheduled trip over to the San Sylmar to a later date in favor of staying closer to home for this meeting.
