

Ventura Vintage Rods November '06 Information Update

Hi All - -

Congratulations go to the Schumanns who had the winning hand on our poker run last Sunday. With help from a pair of wild jokers, they had 5 sevens which no one could top. Maybe we can hit Paul & Sharon up for ice cream sometime!!

For those who have not as yet contacted Jim Perske for the check for your charity, please do so right away. We have several charities awaiting our VVR donations.

Please note that we are not scheduling a monthly meeting for December so as not to interfere with holiday activities.

Tree Chop: It's Sunday, December 10, in Fillmore and we have about 12 cars going. Somehow, VVR always seems to make this a fun outing. The host club, Trucks Limited, has agreed to reserve our front row spot again this year. But, because they are expecting a large turnout, they would like us to be there by 7:00am. This is an understandable request, but means we will be departing Wells Road at 6:30am.

Recognition and Awards Breakfast: Please reserve Sunday, January 21, 2007, 10:00am, for our annual brunch at Yolanda's Restaurant on Main Street in Ventura. Details to follow.

VVR Officers for 2007: We have elected club leadership for 2007 and have selected a slate of very capable people who can bring a fresh look at ideas and methods to make our club better.

President: Jerry Leighty
Vice- President: Mike Hildebrand
Treasurer: Lynn Perske (Sharing the task with husband, Jim. Payback time?)
Secretary: Sherry Roark (Dianne Cowan agreed to fill in as back-up when needed)

Congratulations and thanks to these people for stepping up and accepting leadership roles. They all have the pledge of full support from each and every VVR member.

And so, it seems that this will be my 33rd and last Information Update as Da Prez. It's been an honor serving VVR and each of you the past three years. Thanks for your generous support.

Happy Thanksgiving.

Da Prez
