

Ventura Vintage Rods

December '05 Information Update

Hi All - - -

With 2005 almost gone and the holiday season upon us, there's not much happening other than preparations for gathering of family and friends. We did have a good time, however, at the club meeting on the 19th at the Cowan's home. Norris and Judy brought the BBQ on wheels and Norris cooked us up some very good chicken and sausage. Because of all the good food and socializing, our meeting started about two hours late with full intentions of electing a full slate of club officers for 2006. We didn't fully complete this endeavor nor did we make it to the ice cream store as planned. So, both of these activities will be back on the agenda later on. What the heck! Thanks to all who brought food to share. Without question, one thing we do well is have fun.

December Meetings & Events:

Saturday, December 10: We're planning on going to the Parade of Lights at the Channel Islands Harbor. We meet at the Nickerson's beach home at 6:00 pm and then just might have a pit stop at the Rudder Room for some chowder before the parade begins. Be sure to bring warm clothes and your chairs. **Also, on this evening we are asking our members to bring non-perishable food items we are collecting in support of the Ventura Veterans Center which provides for the needs of military veterans requiring assistance during the coming holidays. The Ethiers will deliver our donated items as representatives of VVR.**

Sunday, December 11: It's Tree Chop time again in Fillmore. We depart Wells Road at 7:00 am. This is a fun day. Details to follow.

Annual VVR Brunch: Mark your calendars for January 15, 2006, for our brunch at Yolanda's Restaurant on Main Street in Ventura at 10:00 am.

December birthdays: 1st - Ron Cowan 29th - Bert Vervoorn

December Anniversaries: 7th - Nickerson 21st - Ethier 26th - Perske

From Da Prez and Mrs. Prez to all of our dear VVR friends, we wish you a Happy Thanksgiving and a wonderful Holiday Season.
