- Terry and Candy McHenry were unanimously voted in as new members. Welcome to Terry and Candy.
- The annual Wheels & Waves car show cruise as well as the Good Guys event in Costa Mesa was discussed. Ron offered that he had one room left and to contact him if you're interested.
- The VVR By Laws will be stored on the web site for your review and possible test at the June meeting.
- The Camarillo Hospice has asked us to provide cars for a chili cook off event on September 5th. Each driver of a car at the event will receive 2 sandwiches and two drinks, free entry, and 10 tickets for chili tasting. More details as the plan evolves.
- The website has been updated with a menu of car shows and events.
- Several members discussed planning to participate in the Bent Axles 30th Annual Car Show and BBQ July 16 – 18. <http://bentaxlescarclub.blogspot.com/>
- Several members and their cars cruised up to the NSRA Western Street Rod Nationals April 24-25 at the Kern County Fairgrounds. Pictures of the event are on the VVR website.
- VVR was well represented also at the Santa Barbara Wheels & Waves event. Honorary judges were Sam and Chip Foose. The Honorary Grand Marshall was Andy Granatelli. Our participants mentioned that although it was cool and overcast here at home the weather in Santa Barbara was really nice. Pictures will be on the website very soon.
- Harbor Run 20 Thoughts
 - Flyers are available and ready for distribution. Until the HR 20 logo is complete we'll continue to print with the famous VVR club logo.
 - The Eubank's '54 Ford F100 pick up, and the Andersen's '40 Chevy Sedan were selected for the HR 20 logo.
 - Norris Woods agreed to again hand make the HR 20 Trophies. The bases are complete. Bob Osborne indicated he will probably make a trip up to help with assembly, etc. If anyone else is interested in helping Norris, please contact Norris and Judy.
 - A preliminary meeting with the CI Harbor leaders has been completed to make initial arrangements for the HR 20. There are some new folks in the loop. there was discussion of newspaper inserts rather than radio spots, however there was a consensus that radio spots provide better coverage. Newspapers as we know often line cat boxes, and help train dogs.
